MILE HIGH IMPACT

How Assessment Impacts Higher Education in Colorado

FRIDAY | APRIL 10 | 2020

*“Without continual
growth and progress, such
words as improvement,
achievement, and success
have no meaning”*

– Benjamin Franklin

CALL FOR PROPOSALS:

[REGISTRATION](#) | [SUBMIT PROPOSALS](#)

Seeking proposals which demonstrate use of the assessment cycle to improve student learning or drive institutional initiatives. Each proposal should state the impact of assessment on higher education in Colorado. Special consideration will be made for proposals which address the following target areas:

- Closing equity gaps
- Incorporating high impact practices
- Significant institutional impact, either through targeting multiple sections of a course or use in broad initiatives
- Assessment of institutional common learning outcomes

Presentation formats:

50-minute session

The 50-minute session is appropriate for presentations, workshops, or panels to share the use of assessment practices and resulting actions.

Lightning Talks:

In this session, presenters will be provided with a template of three PowerPoint slides to utilize:

(Slide 1: Baseline data or problem, Slide 2: Action plans or proposed changes, Slide 3: Comparative data or results of initiative)

The slides will be on a minute timer, and presenters will have a total of three minutes to convey the highlights of their assessment project before flashing to the next presenter.

Session proposals will be accepted until 11:59pm on Friday, February 28th. For questions about the submission process, contact Nicole Lacroix at nicole.lacroix@rrcc.edu
